## MENTORING SYSTEM (2024-25)

A robust mentoring system is developed at Bengal School of Technology and involves a monthly meeting between the faculties (Mentor) with the students (Mentee). All aspects of the academic and non-academic (Extra-curricular) development of the students are noted and the improvement areas for each of the students are discussed.

1. For a group of 20 to 25 students a faculty member is assigned as Mentor who provides unbiased advice to their Mentees in developing specific skills and knowledge that will enhance the Mentee's professional and personal growth. Their role is to advice mentees in all academic and extra-curricular issues and to encourage them to participate in different academic (theory and practical classes, MOOCs, attending webinars/seminars, entrepreneurship program, internship, project etc.) and extra-curricular activities / Mandatory Additional Requirement (MAR), NSS, etc.

2. A senior faculty member is assigned as Head Mentor of respective year/batch. The role of Head Mentor is to collect feedbacks of their concerned sections periodically from the Mentors and to analyze and/or prepare a report for every semester.

3. A senior faculty member is also assigned as Chief Mentor to look after the entire mentoring process.

**Number of students (Mentee) enrolled in the institution (2024-25):**

488 [B. Pharm (436) & M. Pharm (52)]

**Number of full-time teachers (Mentor):** 22

**Mentor: Mentee ratio (approx.) –** 1:22
